

BULL & BEAR ACADEMY needs versus wants

Instructions:

Read the scenarios below and circle your answers. Remember that sometimes that thing you want isn't worth it especially when you're faced with things you need.

You are only given \$5 to buy a healthy lunch. Look at the cost for each item and circle what you are going to buy.

- \$1 - Candy
- \$4 - Healthy and delicious food
- \$1 - Water
- \$1 - Potato chips
- \$1 - Ice cream

You are only given \$10 to buy supplies for a camping trip for the weekend. Circle what you are going to buy for the trip. Choose wisely because the nearest store is far away from the camp site.
